

International Mast Cell and Basophil Meeting in Berlin
(www.mcbm2010.net)

Thursday, 9 December 2010

- | | |
|-------------|--|
| 8.00 | Registration |
| 8.30 – 9.00 | Welcome by Marcus Maurer, Tilo Biedermann, Stephan Bischoff and Knut Brockow |

Session I – Mast cell and basophil interaction with other cells

Chairs: Ulrich Blank (France), Martin K. Church (United Kingdom)

- | | |
|-------------|------------|
| 9.00 – 9.17 | Tbd (N.N.) |
| 9.20 – 9.27 | Tbd (N.N.) |
| 9.30 – 9.37 | Tbd (N.N.) |
| 9.40 – 9.47 | Tbd (N.N.) |
| 9.50 – 9.57 | Tbd (N.N.) |

Session II – Mast cell and basophil activation

Chairs: Knut Brockow (Germany), Francesca Levi-Schaffer (Israel)

- | | |
|---------------|------------|
| 10.00 – 10.17 | Tbd (N.N.) |
| 10.20 – 10.27 | Tbd (N.N.) |
| 10.30 – 10.37 | Tbd (N.N.) |
| 10.40 – 10.47 | Tbd (N.N.) |
| 10.50 – 10.57 | Tbd (N.N.) |

11.00 *Coffee break*

Keynote lecture I

Chairs: Introduction by Gianni Marone (Italy), Gunnar Pejler (Sweden)

- | | |
|---------------|--|
| 11.30 – 12.30 | Title has been enquired
<i>Donald McGlashan (USA)</i> |
|---------------|--|

Session III – Mast cell and basophil mediators

Chairs: Tilo Biedermann (Germany), Gunnar Nilsson (Sweden)

12.30 – 12.37 Tbd (N.N.)

12.40 – 12.47 Tbd (N.N.)

12.50 – 12.57 Tbd (N.N.)

13.00 – 13.17 Tbd (N.N.)

13.20 – 13.27 Tbd (N.N.)

13.30 *Lunch*

Keynote lecture II

Chairs: Introduction by Marcus Maurer (Germany), Bernd Echtenacher (Germany)

14.30 Uncovering new roles for mast cells and basophils in allergy and autoimmunity
Juan Rivera (USA)

Workshop - Methods in mast cell and basophil biology

Chairs: Stephan Bischoff (Germany), Clemens Dahinden (Switzerland)

15.00 How to study mast cell receptor signal transduction
Petr Draber (Czech Republic)

15.20 How to coculture and investigate the interaction of mast cells and other cells
Carlo Pucillo (Italy)

15.40 How to make use of mouse models for elucidating mast cell functions
Martin Metz (Germany)

16.00 How to obtain and work with human mast cells
Peter Bradding (United Kingdom)

16.20 Questions and answers

16.30 *Coffee break*

Postersession

17.00 -18.00 Posterpresentations and Posterwalks

General Assemblies

18.00 – 18.15 AGMZB

18.30 – 19.30 Kompetenznetzwerk Mastozytose

20.00 *Evening program (open end)*

Friday, 10 December 2010

7.30 – 8.30 SPP breakfast

Session IV – Mast cell and basophil migration, proliferation and apoptosis

Chairs: Karin Hartmann (Germany), Petri Kovanen (Finland)

8.30 – 8.47 Tbd (N.N.)

8.50 – 8.57 Tbd (N.N.)

9.00 – 9.07 Tbd (N.N.)

9.10 – 9.17 Tbd (N.N.)

9.20 – 9.27 Tbd (N.N.)

9.30 Histamine and its Receptors: Celebrating a
100 Year Journey
Martin K. Church (United Kingdom)

10.30 *Coffee break*

Session V – Mast cell and basophil driven diseases

Chairs: Axel Lorentz (Germany), Peter Valent (Austria)

11.00 – 11.17 Tbd (N.N.)

11.20 – 11.27 Tbd (N.N.)

11.30 – 11.37 Tbd (N.N.)

11.40 – 11.47 Tbd (N.N.)

11.50 - 11.57 Tbd (N.N.)

12.00 *Lunch*
Press conference

Keynote lecture III

Chairs: Introduction by Franco Falcone (United Kingdom), Frank Siebenhaar (Germany)

13.00 Mechanistic insights gained from the analysis of FcERI signaling modulation of basophils during clinical studies
Wayne Shreffler (USA)

Session VI – Mast cell and basophils: clinical implications

Chairs: Ilkka Harvima (Finland), Julia Trosien (Germany)

13.30 – 13.47 Tbd (N.N.)

13.50 – 13.57 Tbd (N.N.)

14.00 – 14.07 Tbd (N.N.)

**Round table *Academia-Industry interaction:
What we need and what we get***

Moderator: Marcus Maurer (Germany)

14.15 – 15.15 Academia
Gianni Marone (Italy), Stephan Bischoff (Germany)

Industry
Paola Lovato, Leo Pharma (Denmark),
Peter Droc, Novartis (Switzerland)
Gary Jennings, Jado Technologies (Germany),

15.15 *Closing remarks*

15.30 - 16.30 EMBRN General Assembly
