Allergy Research Today

April 19, 2022

Welcome address

09h00-09h15 **Alain Didier** *President of the SFA*

Opening Lecture *Chair: Hamida Hammad & Valérie Verhasselt*

09h15-10h00 **Benjamin Marsland** *Monash University, Melbourne.*
Microbes, metabolites and protection against allergic inflammation.

Thomas Marichal Guest Session *Chair: Thomas Marichal, Université de Liège & Hamida Hammad*

10h00-10h30 **Mübeccel Akdis** *SIAF, University of Zürich.*
Role of B cells in food allergy.

10h30-11h00 **Laurent Reber** *Infinity, Toulouse.*
Development of therapeutic vaccines for the treatment of allergic diseases.

11h00-11h15 *Virtual Coffee Break*

11h15-11h45 **Bénédicte Machiels** *Université de Liège.*
Gammaherpesvirus infection imprints the alveolar landscape to regulate lung type 2 allergic responses.

11h45-12h15 **Philipp Starkl** *Medical University Vienna.*
Host defense by allergic immune responses.

12h15-13h30 *Lunch Break*

What's up? Session *Chair: Anne Tsicopoulos & Gaël Méнасché*

13h30-14h00 **Martijn Schuijs** *Ghent University.*
Allergic inflammation in cancer: eosinophils suppressing NK cell anti-tumor potential.

14h00-14h30 **Korneliusz Golebski** *University of Amsterdam.*
Type 2 Innate Lymphoid Cells in diseases of the airways.

14h30-15h00 **Louise-Eva Vandenberght** *Genoscreen, Lille.*
Type 2-high asthma patients reveal a specific indoor mycobiome and microbiome.

15h00-15h15 *Virtual Coffee Break*

15h15-15h45 **Lilian Basso** *Infinity, Toulouse.*
Dual role of skin innervating nociceptors in skin atopic and allergic inflammation.

15h45-16h15 **Anne Dudeck** *Otto-von-Guericke-Universität, Magdeburg.*
Emerging roles for mast cells in allergic contact dermatitis.

Closing Lecture *Chair: Marc Daëron & Gaël Méнасché*

16h15-17h00 **Florent Ginhoux** *Institut Gustave Roussy, Villejuif.*
New insights in the role of fetal mast cells in the onset of early life allergies.

Concluding remarks

17h00-17h15 **Joana Vitte** *President of the Scientific council of the SFA*

Scientific Organizing Committee: Marc Daëron, Hamida Hammad, Gaël Méнасché, Anne Tsicopoulos & Valérie Verhasselt
